

A top-down view of various sewing supplies scattered on a light-colored wooden surface. The items include several large spools of thread in bright colors: yellow, magenta, cream, green, and red. There are also smaller spools of blue and orange thread. A pair of black-handled scissors is positioned in the upper left, and another pair is in the lower left. A green measuring tape is on the right side. A small, embroidered fabric piece with a butterfly and beads is in the upper right. A single gold-colored button is in the center. The text 'BALAJI Cotton Designer Salwar Suit' is printed in the center, with a logo above it. Below this, a decorative box contains the text 'SUI DHAAGA Vol-9 MADE IN INDIA'. At the bottom, the text 'FABRIC AND STITCHED PATIYALA WITH INNAR' is written in red.
